

Designed with Intention

All new styles are crafted
from recycled or natural
materials. Look for this sticker
to shop eco-friendly frames.

What's Your Strength?

Step One: Stand 12 to 14 inches
away from the chart below

Step Two: Without any glasses,
read from the top down

Step Three: When you can
clearly read a line, you've found
your strength

+1.50 is the right strength for you.

+1.75 is the right strength for you.

+2.00 is the right strength for you.

+2.25 is the right strength for you.

+2.50 is the right strength for you.
