

Style Meets Sustainability

All new styles are crafted from recycled or natural materials. Look for this sticker to shop eco-friendly frames.

Step One: Stand 12 to 14 inches away from the chart below

Step Two: Without any glasses, read from the top down

Step Three: When you can *clearly* read a line, you've found your strength

+1.50 is the right strength for you.

+1.75 is the right strength for you.

+2.00 is the right strength for you.

+2.25 is the right strength for you.

+2.50 is the right strength for you.
